PREFACE

Under the authority contained in Section five (5) of the Act of February 27, 1901, this volume has been prepared and published. The section is as follows:

“An official and statistical register of the State of Alabama shall be compiled every two years by the Director, to contain (1) brief sketches of the several State officials, the members of Congress from Alabama, the Supreme Court Judges, the members of the Senate and House of Representatives of the State of Alabama; (2) rosters of all State and County officials; (3) lists of all State institutions, with officials; (4) State and County population and election statistics, and (5) miscellaneous statistics; and said register shall be published in an edition of one thousand copies for free distribution, the printing and binding to be paid for as other printing and binding hereinbefore provided.”

The object of the publication is to present, in authoritative statistical form, the details of the organization of the State government, lists of officials, sketches of officials, and such miscellaneous and general data on the State and State affairs as may be of helpful service. The compilation has been made with great care. All names and dates are drawn from official sources as far as possible. No facts, not believed to be reliable and well-authenticated, have been admitted.

Throughout the country, books of this character are regarded as of first importance. It is hoped that this volume will prove not only of immediate use and value, but that it will be a permanent contribution to the official literature of Alabama.

Upon the Legislature changing from biennial to quadrennial meetings, terms of County and other officials being extended from the former term of two years to terms of four and six years, it is not necessary to produce an Official and Statistical Register more frequently than each four years. The last issue was published in 1927.

ACKNOWLEDGMENTS

It gives me pleasure to acknowledge with sincere appreciation, invaluable assistance rendered in the compilation of this Register by Thomas M. Owen, Jr., formerly Assistant to the Director, Miss Mary R. Mullen, Librarian of the Department, thirteen years in its service as Librarian and recognized by students as an expert research worker, and to Mrs. I. H. Sayers, Stenographer and Statistician of the Department and for eleven years in its employment. Other members of the staff have co-operated to the extent of demands made upon them, including Miss Frances Hails, State Archives Clerk, Mrs. L. E. Wright, Assistant Librarian and Miss Mattie Alexander, Clerk.

MRS. MARIE B. OWEN, Director.

THOMAS M. OWEN, LL. D.,

*Founder and for twenty years Director of the Alabama State Department
of Archives and History*

DEDICATION

This edition, 1931-35, of the quadrennial issue of the Official and Statistical Register of Alabama, is dedicated to the memory of the late Thomas McAdory Owen, founder and for twenty years Director of the Department. From the beginning of his service with the State in 1901, until his death in 1920, Dr. Owen devoted himself whole-heartedly to the preservation and propagation of Alabama history. In addition to the performance of his administrative duties he was the author of a four volume encyclopedia of the State's history, a portion of which was devoted to biographies of men and women who have created the State.

In addition to that monumental work, Dr. Owen was the author of other publications and initiated as part of his official duties the compilation of the Official and Statistical Register which appears concurrently with each new gubernatorial administration.

It seemed to the Trustees of the Department a proper time and a just tribute to dedicate this book to the man who was responsible more than any other person, for the distinguished place the Department holds in the esteem of historical students and of our own people. It was felt that such a tribute was particularly appropriate at this time when we are celebrating the 30th anniversary of the Department's founding.

Thomas McAdory Owen was born December 15, 1866, at the residence of his maternal grandfather, Thomas McAdory, near Jonesboro, two miles below the present town of Bessemer, in Jefferson County. He died March 25, 1920, at his home in Montgomery and is buried in Greenwood Cemetery in that city. Descended from men and women who had come from the British Isles during the Colonial period of American history, and from grandparents who had located in Alabama in its pioneer period, Dr. Owen had every reason to possess the patriotic devotion which he always showed towards his country and his State. He received his early education in the common schools of his native county and was prepared for college by his uncle, Prof. Isaac W. McAdory, at the Pleasant Hill Academy in Jefferson County. He

graduated with highest honors at the University of Alabama with the degrees of A.B. and LL.B. in 1887. His Alma Mater bestowed upon him the honorary degrees of A.M. in 1893, and LL.D. in 1904. He practised law at Bessemer, Carrollton and Birmingham and was City Solicitor of Bessemer, Assistant Solicitor of Jefferson County and later Chief Clerk in the Division of Postoffice Inspectors, Postoffice Department, Washington, D. C. He was Chairman of the Democratic Executive Committee of Jefferson County in 1890-92, and always manifested deep interest in political activities.

It was through a bill drafted by Dr. Owen that the Department of Archives and History was authorized by a legislative Act of February 27, 1901. He was at once elected Director of the Department by the Board of Trustees, and re-elected at the expiration of each successive term of office. The Department is charged with the care of the official archives of the State and the promotion of all of the historical activities demanded on the part of the State. Passage of this Act was the first known recognition and application of the principle of public support of archives preservation, and historical work and enterprise through a separate bureau, commission or department of State, located in the capitol and administered by a State official regularly chosen and required to devote his entire time to his duties. Following the adoption of this plan by Alabama twenty other States have enacted similar legislation, some using Alabama's Act in full.

Dr. Owen was married to Marie, daughter of John Hollis and Tallulah (*Brockman*) Bankhead, at Fayette, Ala., April 12, 1893. Two sons were born of this union, Thomas M. Owen Jr., and John Bankhead Owen, the latter dying in childhood.

LETTER OF TRANSMITTAL

To His Excellency,
Governor B. M. Miller,
Executive Office,
Montgomery, Ala.

Sir:

I have the honor to transmit herewith the Alabama Official and Statistical Register for 1931, which under the law is issued every four years. Every effort has been made to present in these pages accurate information about the official personnel of the State at the present time together with a considerable body of material concerning political and economic matters.

One thousand copies of this volume will be issued by the State for free distribution to public officials, public libraries, etc.

Respectfully,

MARIE BANKHEAD OWEN,
Director.

November 30th, 1931.

INTRODUCTION

STATE NAME

The etymology of the word or name Alabama has evoked much discussion among American philological students. It was the name of a noted Southern Indian tribe, whose habitat, when first known to Europeans, was in central Alabama. The greatest river in the State received its name from this tribe, and from the river, in turn, the name of the State was derived. The tribal name Alabama is spelled in various ways by the early chroniclers, Spanish, French and English, some of which forms are here given: Alabama, Albama, Alebamon, Alibama, Alibamo, Alibamou, Alibamon, Alabamu, Allibamou. The name first occurs in three of the chronicles of DeSoto's expedition, of 1540, written Alibamo by La Vega, Alimamu by the Knight of Elvas, and Limamu by Rangel. In the last form the initial vowel is dropped, and in both the last two the first "m" is used for "b", an interchange of these two consonants being common in Indian languages. The name, as recorded by these chroniclers, in this case, was the name of a subdivision of the Chickasaws, not the historic Alabamas of later times.

The popular belief, which is engrafted in a number of current histories and geographies, is that Alabama signifies, "Here we rest." This very pleasing etymology, during the fifties of the last century, obtained a wide currency through the writings of Judge A. B. Meek. But the very first account of the origin of the name as far as is now known, is contained in an issue of the *Jacksonville Republican*, Jacksonville, Ala., July 27, 1842. Whether Judge Meek himself was the author of this etymology, traced back to this source, is a question as yet unanswered.

As to the Muscogee origin of the name, thorough experts in that dialect have confessed their inability to find in it any word or phrase similar to Alabama and meaning "Here we rest."

But the problem is not hopeless. According to the recent investigations of Indianologists, the tribal name, Alabama, must be sought in the Choctaw tongue, as it was not uncommon for tribes to accept, as a national or tribal name, an appellation bestowed upon them by some contiguous tribe. The late Rev. Allen

Wright, a highly educated Choctaw, translates the name as "Thicket-clearers," compounded of "Alba," *a thicket or mass of vegetation*, and "amo," *to clear, to collect, to gather up*.

H. S. Halbert by independent study, about the same time, arrived at the same conclusion as that given by Mr. Wright, and translates the name as "Vegetation-gatherers," that is, gatherers of vegetation in clearing land for agricultural purposes. The word "alba" means such small vegetation as herbs, plants, shrubs and bushes, which were gathered in clearing land, and the word can be applied collectively to a thicket. Hence the translation as given by the Rev. Allen Wright and that of Mr. Halbert practically agree. The passive voice of amo is almo. In elaborating his views in defense of his position, Mr. Halbert gives two examples of Choctaw local names, "Kantak almo" and "Oski almo," meaning respectively, "*China brier there gathered*, and *Cane there gathered*. If the tribes or clans living at these localities had received special names from their avocations, they would have been known as Kantakamo and Oskamo, just as the noted Indian tribe in the pre-historic past could well have received the name Alba amo, by fusion of vowels Albamo, from some neighboring Choctaw-speaking tribe, not yet emerged from the hunting into the agricultural state.

Confirmatory of the position of Rev. Allen Wright and the independent conclusions of Mr. Halbert, the definitions of "alba" and "amo" in Rev. Cyrus Byington's "Dictionary of the Choctaw Language" are given below. The manuscript of this work, prepared prior to 1856, has been published by the Bureau of American Ethnology, under the editorial direction of Dr. John R. Swanton and Mr. Halbert. The words and their definitions are as follows:

"alba, n., vegetation; herbs; plants; weeds.

"amo, v. t. pl. to pick; to pull; to trim; to mow; to reap, Matt. 6:26; to cut clip; to gather, Luke 6:44; to cut off; to crop; to rid; to shear; to slip; *panki an aiamo*, gather grapes of, Matt. 7:16; *shumati akon aiamo*, gather of thistles; *tabli*, sing.

"amo, n., a gatherer; a picker; a shearer."

It is an interesting fact that the late Dr. Albert S. Gatschet: *Creek Migration Legend*, p. 85, accepts the etymonolgy of Rev. Allen Wright as above set forth.

Dr. Wm. S. Wyman, of Tuscaloosa, one of the best known students of the State, inclined to the belief that the word means *Mulberry people*. He says that on the oldest French maps the Alabama river is called "Coussa," from which he conjectures that the name Alabama was first given to it by the French, after they built Fort Toulouse in 1714. He says further that in Tristan de Luna's time (1559) the river was sometimes called "Olibahali," or "Ullibali," which is pretty close to the French form, "Alibamon," or "Alabamo." In the language of the Alabama tribe he says that "Ullebehalli" means *Mulberry people*.

Inquiry among the early Indians themselves appears to have been without results as to the meaning of the word. Gen. Thomas S. Woodward in his fascinating book of *Reminiscences of the Creek or Muscogee Indians*, p. 12, says: "I had heard Col. Hawkins say in his time, that he had made every inquiry in his power to ascertain if *Alabama* had any other meaning than the mere name of an Indian town, but never could, unless the name—as it was possible—might be the Indian corruption of the Spanish word for *good water*, though he doubted that.'

Discarding then, "Here we rest" as something philologically untenable, but retaining it as something that may hold its own in the realm of poetry and romance, we may look forward with confidence to the investigations of scholars which may fully solve the mystery of the name. And until supplanted by something upon which not a shadow of doubt may rest, we may for the present be content with the "Vegetation-gatherers," who in their aboriginal field-making, were surely and necessarily "Thicket-clearers."

The suggested etymology may be thought a trifle prosaic as compared with the romantic expression, heretofore associated with the Indian anabasis from the west, but in truth it is quite as poetic, besides, it far more nearly represents the character of Alabamians, both in the past and in the present era of growth, when with uplifted aspiration and clear vision they are *opening the way to* newer ideals and the development of the best in life and human endeavor.

STATE BOUNDARIES

Alabama is bounded on the north by Tennessee, east by Georgia, south by Florida and the Gulf of Mexico, and west by the State of Mississippi. The several sections of the Code of Alabama, 1923, containing a description of the State boundaries, with reference to the decisions of the courts thereon, are as follows:

85. (83) (623) (12) (12) (16) (15) *Boundaries of State*.—The boundaries of this State are established and declared to be as follows, that is to say: Beginning at the point where the thirty-first degree of north latitude crosses the Perdido river; thence east to the western boundary line of the State of Georgia; thence along said line to the southern boundary line of the State of Tennessee. Thence west along the southern boundary line of the State of Tennessee, crossing the Tennessee river, and on to the second intersection of said river by said line; thence up said river to the mouth of Big Bear Creek; thence by a direct line, to the northwest corner of Washington county, in this State as originally formed; thence southerly along the line of the State of Mississippi to the Gulf of Mexico; thence eastwardly, including all islands within six leagues of the shore, to the Perdido river; and thence up the said river to the beginning.

Boundaries of Mississippi Territory, Toulmin's *Digest*, p. 76; territory ceded by Georgia, Toulmin's *Digest*, p. 77; territory called Alabama; Toulmin's *Digest*, p. 78. (Aiken's *Digest*, p. 29, par. 4; p. 30, par. 6; Clay's *Digest*, p. 47, par. 4; p. 48, par. 6.)

Note.—A strip twelve miles wide on the northern part of the State was ceded by South Carolina to the United States, and then granted to the Mississippi Territory.

86. (84) (624) (13) (13) (17) (16) *Boundary Between Alabama and Georgia*.—The boundary line between Alabama and Georgia commences on the west side of the Chattahoochee river, at the point where it enters the State of Florida; from thence up the river, along the western bank thereof, to the point on Miller's Bend, next above the place where the Uchee creek empties into such river; thence in a direct line to the Nickajack.

Clay's *Digest*, p. 48, par. 9. In *Howard v. Ingersoll*, 17 Ala. 780, the boundary of the State, it was held commenced at low-water mark, on the west side of the Chattahoochee river, from the point where it enters the

present State of Florida, to the "great bend" next above the place where the Uchee creek empties into the said river. In other words, low-water mark on the west side of the Chattahoochee river was the line which separated the jurisdiction of the State of Alabama from the State of Georgia. On writ of error to the Supreme Court of the United States, the decision was reversed, a majority of the court holding that the boundary line between the two States was not low-water mark on the west side of the Chattahoochee river, but a line running up the river on and along its western bank, and that the jurisdiction of Georgia extended to the line which is washed by the water wherever it covers the bed of the river within its banks. The permanent fast land bank governs the line. From the lower edge of that bank the bed of the river commences, and the jurisdiction of Georgia extends to the lower edge of the bank on the west side of the river. Nelson and Grier, JJ., dissenting, held, that the true boundary line between the States of Georgia and Alabama, was not a line drawn on the bank or bluff of the river, at high-water mark, but the line marked by the permanent bed of the river, by the flow of the water at its usual and accustomed stage, and where the water will be found at all times in the season, except when diminished by drought or swollen by freshet.—*Howard v. Ingersoll*, 13 Howard 381.

The boundary line between the States of Georgia and Alabama depends upon the construction of the following words of the contract of cession between the United States and Georgia, describing the boundary of the latter, namely: "West of a line beginning on the western bank of the Chattahoochee river, where the same crosses the boundary between the United States and Spain, running up the said river, and along the western bank thereof."—*State of Alabama v. State of Georgia*, 23 Howard, U. S. 505.

"It is the opinion of this court that the language implies that there is ownership of soil and jurisdiction in Georgia, in the bed of the river Chattahoochee, and that the bed of the river is that portion of its soil which is alternately covered and left bare, as there may be an increase or diminution in the supply of water, and which is adequate to contain it at its average and mean stage during the entire year, without reference to extraordinary freshets of the winter and spring, or the extreme drought of summer or autumn."—*Ib.*

The western line of the cession on the Chattahoochee river must be traced on the water-line of the acclivity of the western bank, and along that bank where that is defined; and in such places on the river where the western bank is not defined, it must be continued up the river on the line of its bed, as that is made by the average and mean stage of the water, as that is expressed in the conclusion of the above recited paragraph."—*Ib.*

By the contract of cession, the navigation of the river is free to both parties.—*Ib.*

87. (85) (625) (14) (14) (18) (17) *Boundary Between Alabama and Florida*.—The boundary line between Alabama and

Florida is the line commonly known as the "mound line," or "Ellicott's line," as distinguished from a "blazed line," known as the "Upper" or "Coffee line," commencing at a point on the Chattahoochee river, near a place known as "Irwin's Mills;" and from thence to the Perdido river, marked the whole distance by blazes on the trees and by mounds of earth, at distances of about one mile.

STATE CAPITAL

During its existence as a Territory and State, since March 3, 1817, Alabama has had several capitals. St. Stephens was designated in the act creating the Territory as the temporary seat of government, and there the two sessions of the Territorial legislature were held. The first constitutional convention was held, in accordance with the enabling act, in Huntsville in 1819, and the first session of the State Legislature was also held there.

The Territorial Legislature, however, had chosen Cahaba as the site for the capital of the State, and the second session of the Legislature was held there in 1820. Cahaba was designated as the seat of government in the constitution, but the Legislature was required at the session of 1825-26 "to designate by law (to which the executive concurrence shall not be required) the permanent seat of government, which shall not thereafter be changed." Cahaba proved to be a very poor and injudicious selection, owing to health conditions, and to its situation, being subject to overflow. In 1826 Tuscaloosa was chosen as the location of the capital, and there it remained until the session of 1845-46. At this time, after a sharp contest between many rival towns, Montgomery was selected. The session previous had proposed a constitutional amendment, striking out the section permanently locating the seat of government, and this amendment had been adopted at the polls.

In selecting Montgomery the Legislature expressly provided by act that the State should be put to no expense in securing lands or in the erection of a capitol building. The citizens of the town at once organized, under the leadership of Col. Charles T. Pollard, Col. A. J. Pickett and others, secured the site, and

began the erection of a building. Bonds for \$75,000.00 were issued by the municipality to pay for construction. These bonds were taken up by local real estate dealers and by local capitalists. The plan of the new capitol was drawn by Stephen D. Button; and the contractors were Messrs. B. F. Robinson and R. W. R. Bardwell. It was completed and occupied by the Legislature at its session of 1847-48, the first session held in Montgomery. On December 14, 1849, during the second session held in Montgomery, the building was destroyed by fire. On February 11, 1850, the Legislature made an appropriation of \$60,000.00, with which the central section of the present building was erected substantially on the foundations of the burned structure.

During the administration of Gov. William H. Smith several improvements were made, which added convenience and beauty to the lower floor of the building.

From the time of its completion in 1851 until 1885 no increase in its capacity had been made. In the latter year, Feb. 17, the Legislature made an appropriation of \$25,000.00 for "needed enlargement." This expenditure resulted in the erection of the rear extension, that is, all that part from the basement to the roof east of the stairway leading to the State and Supreme Court library.

In 1903 the Legislature appropriated \$150,000 with which the South end of the Capital Square was purchased and the South wing erected in 1905-06; and in 1911 an appropriation of \$100,000 was made with which a North wing was added.

STATE EXECUTIVE MANSION

The Governor's Mansion is located in the City of Montgomery, at No. 702 South Perry Street. It was erected in 1906 and was purchased by the State from Moses Sabel, by whom it was built. The price paid was forty-six thousand, five hundred dollars (\$46,500), including sundry furnishings. It is a two-story pressed brick structure, with mansard roof, and presents a very attractive and stately appearance.

Until the purchase of this building, the State had never owned an official residence for the use of its governors. The

Legislature of 1911 passed "an act to make an appropriation for the purchase of a residence for the Governor of Alabama, and grounds and furnishings therefor, and for the acquisition by condemnation or purchase of any real estate necessary or beneficial for such purpose, to provide a building commission for such purpose, and to make an annual appropriation for the maintenance of such residence," approved Feb. 14, 1911.

A commission of seven members was provided by this act, four of whom were the incumbents respectively of the offices of Governor, Secretary of State, Attorney-General and the Director of the Department of Archives and History, and three citizens of the City or County of Montgomery to be appointed by the Governor. After the appointment of the three members required to be named by the Governor, the following constituted the membership of the Commission: Emmet O'Neal, Governor; Cyrus B. Brown, Secretary of State; Robert C. Brickell, Attorney-General; Thomas M. Owen, Director of the Department of Archives and History; and Michel H. Screws, William T. Sheehan, and William G. Covington, the last three being citizens of Montgomery. The first meeting of the Commission was held April 27, 1911. Other meetings were held, and the purchase of the property mentioned above was agreed upon. The deed of conveyance bears date, May 29, and was filed for record in Montgomery county, June 1, 1911.

STATE SEAL

The original State seal consisted of a circular disk, on which was a map of Alabama, displaying the principal rivers. This design was in 1818, suggested by Governor William Wyatt Bibb, for the use of Alabama Territory, and when the constitution of 1819 was adopted, it was provided (Sec. 12, Art. IV) that "the present seal of the territory shall be the seal of the State, until otherwise directed by the General Assembly." This seal remained in use until changed by act of December 29, 1868.—*Acts*, 1868, p. 77.

GREAT SEAL OF ALABAMA

Adopted December 29th, 1868

This act, descriptive of the present State seal, carried forward, through successive revisions, to the *Code of Alabama*, 1923, vol. I, is as follows:

"2932. (1994) (3727) (18). *Great Seal of the State*.—The seal shall be circular, and the diameter thereof two and a quarter inches; near the edge of the circle shall be the word 'Alabama,' and opposite this word, at the same distance from the edge shall be the words 'Great Seal.' In the center of the seal there shall be a representation of an eagle, and a shield, and upon such part of the seal as the governor may direct, there shall be the words 'Here we rest.' The seal shall be called the 'Great Seal of the State of Alabama.' "

TO THE GREAT SEAL OF ALABAMA

By Samuel Minturn Peck

Great Seal of Alabama—

Whose sunny skies of blue
Smile an eternal welcome
To loyal hearts and true—
To thee, her legal symbol,
A song to day I bring,
Well-knowing poet never
Fit song to thee will sing.

O Seal, upon thee gazing,
Thine eagle first I see,
On shield, alert and watchful,
For every foe there be;
And any murmur rising
Of danger, on the gale,
With beak and talons ready
The peril to assail.

Great Seal of Alabama,
Anon my Fancy strays
And, lo, her past and future
Unroll before my gaze:
A sigh, for all her troubles—
A smile, that most are past,
And stars upon her horoscope
A glorious age forecast.

Her feet beside the Mexic Sea,
 Brow veiled my mountain mist,
 I see the Sleeping Beauty
 By Prince of Progress kist;
 Her Fairy Prince adores her,
 Yet well he knows her dower,
 Her rich mines, fields, and rivers,
 Their future wealth and power.

O Seal, then backward glancing,
 By Fancy still possest,
 I see a band of Redmen
 On Legendary quest;
 The weary Chief is happy
 No further need they roam:
 "Alabama, here we rest—
 'Tis here we make our home°"

Great Seal, so runs thy motto
 Whose beauty haunts the breast;
 On Memory's ear it lingers:
 "Alabama, here we rest;—"
 Her arms are ever open
 To weary hearts that roam;
 To tired feet She's calling:
 "Alabama, here is Home."

STATE FLAG

The flag of the State of Alabama was adopted by Act of February 16, 1895, introduced into the House of Representatives by Hon. John W. A. Sanford, Jr., then a member from Montgomery county. See *Acts*, 1894-95, p. 719. The following is the statutory description, taken from the *Code of Alabama*, 1907, vol. 1, section 2058 and 2059:

"2058. (3751) *Flag of the State*.—The flag of the State of Alabama shall be a crimson cross of St. Andrew on a field of white. The bars forming the cross shall not be less than six inches broad and must extend diagonally across the flag, from side to side."

"2059. (3752)). *When Displayed*.—The flag of the State shall be hoisted on the dome of the capitol when the two houses of the Legislature are in session, and shall be used by the State on all occasions when it may be necessary or customary to display a flag, except when, in the opinion of the governor, the national flag should be displayed."

From the foregoing description, and from local inquiry as to the form of the design submitted in connection with the original bill, the flag was intended by the Legislature to preserve in permanent form some of the more distinctive features of the Confederate battle flag, particularly the St. Andrews' cross. This being true, the Alabama flag should be square, and in all of its lines and measurements conform to the well-known battle flag of the Confederacy.

On referring to the regulations governing the Confederate battle flag, it is found that it must be forty-eight inches square, with the arms of the cross eight and one-half inches wide over all, that is, the blue arms with the white border. The law providing for the Alabama State flag merely declares that the arms shall not be less than six inches broad, with the further provision that they must "extend diagonally across the flag from side to side." The latter is intended to mean that the bars must cross each other at right angles, and that the ends of the bars must divide equally at each corner. In the event a larger or smaller size should be desired, the measurements increase or diminish proportionately.

The regulations for the battle-flag also provide for a border of one and one-half inches. Therefore, the proper size for the Alabama State flag would be fifty-one inches square over all, with the arms of the St. Andrew's cross eight and one-half inches wide over all, extending diagonally across the flag from side to side, the ends of the bars dividing equally at each corner.

Under an Act approved September 26, 1923, the flag of the State, as well as the flag of the United States, is required to be displayed every day on which school is in session, at all schools in the State which are supported even in part by public funds. The Act does not intend the flag to be displayed on the walls of the building, but the State Superintendent of Education has ruled that it shall be hoisted on a pole provided for this purpose. Section 4 of the Act requires the School Boards of the county to furnish and pay for the several flags used in the county. Hon. George W. Randall, Senator from the Eighteenth District, is the author of this latest Act.

BANNER OF OUR STATE

By Annie Southerne Tardy

Our souls revere you, banner of our State!
The purity of your fair field enfolds
Our hearts. Your crimson cross in memory holds
The honor of the past inviolate.
War's tragedy is gone and fortunate,
Glad Peace abides with us, within her smile
We rest. No vicious weapon shall defile
The flag we love, and serve, and venerate.

Then spread your gorgeous colors to the breeze!
Waft to and fro the white, waft to and fro
The red. In exultation loyal, true,
All future foe and danger to appease,
We join in sacred oratorio,
And pledge our love, our lives, our all, to you!

THE FLAG OF ALABAMA

By Elizabeth Winston Sheehan

They took a piece of white long cloth
And one of oil-boiled red,
And made our Alabama flag—
Those Sanford folk, long dead.

"My father, lend me now your ear—
What shall our flag portray?"
So spake John Sanford to his sire,
The General, wise and gray.

That soldier of Secession's war,
Now passed these thirty years,
Bethought him of his battle flag—
His eyes were filmed with tears.

"No other flag could bring the thrill
Of that square crimson field
On which were crossed bright bars of blue
Which stars of white revealed;

And feature it in red,
Then give it an eternal home
On pure white field," he said.

"Will you, my dear, apply your skill
And bring this dream to life?"
"My stitches joyfully I'll give,"
Said young John Sanford's wife.

Then with a piece of white long cloth
And one of oil-boiled red,
They made an Alabama flag—
Those Sanford folk, long dead.

To legislative halls it went;
Young Sanford pled its cause;
And when he showed his dream fulfilled
It met with wild applause.

The year of eighteen-ninety-five
First saw that flag unfurled—
A crimson cross on field of white—
A signal to the world.

Of courage high, which saltire¹ shows,
To leap into the fray
To keep our field of white unstained,
And all right calls obey.

Since then our Alabama flag
Has done its part and more;
It waved at home when stars and stripes
Had sought a foreign shore.

Sometimes in silk it swishes past;
In bunting every day
It floats above foot-packed school yards
Where happy children play,

Because they took some white long cloth,
And some of oil-boiled red,
And made our Alabama flag,
Those Sanford folk, long dead.

1. The St. Andrew's Cross is in the heraldic form of the *Saltire*, an ancient scaling ladder; from the Latin verb *Salto*, meaning "to leap."

STATE FLOWER

A bill introduced in the Legislature, 1927, by Representative T. E. Martin, of Montgomery county, making the Goldenrod the State Flower, became a law, September 6, 1927. Alabama's interest in the Goldenrod as its State Flower is due to efforts made by Mrs. Aurora Pryor McClellan, of Athens, Ala., beginning at a floral convention held in Athens, October 25, 1889. At that time interest was widespread in suggestions for a National flower. Mrs. McClellan advocated the Goldenrod and continued her advocacy of that flower until her death.

ALABAMA'S GOLDENROD

By Frances R. Durham

From the Gulf in the south to the mountains
That lift their fair strength to the skies,
The goldenrod springs in bright fountains,
The crest of the goldenrod flies.
Out of the dusk of the grasses
Where the meadows lie rich and broad
Are spun the starry masses
Alabama's goldenrod.

A largesse for all of her living
A wreath for her sacred dead;
This land that is fruitful with giving
This land by a thousand streams fed,
Acclaims a gallant flower,
By every hill and road,
As her emblem of pride and power,
Alabama's goldenrod.

STATE BIRD

A bill introduced in the Legislature, 1927, by Representative T. E. Martin, of Montgomery county, making the Yellowhammer the State Bird, became a law September 6, 1927. Alabama has been known since the period of the War Between the States as the "Yellowhammer State." This nickname was ap-

plied to the Confederate soldiers from Alabama owing to the fact that the colors of the Confederate uniform and the yellow trimmings of the cavalry correspond to that bird. Mr. John D. Giddens, of Leighton, Colbert county, Ala., a member of Co. E., Russell's Brigade, Confederate States Army, is responsible for the following account of the incident that led to the name being given to Alabama soldiers:

"The term, Yellowhammer, applied to Alabama and the Alabamians originated with a Confederate soldier named Will Arnett who belonged to Company A of N. B. Forrest's original regiment at Hopkinsville, Ky., in 1861.

"When the company from Huntsville, Alabama, the Captain of which was Rev. D. C. Kelly, who became one of Forrest's Majors, and which was afterwards commanded by Lieutenant Nance, arrived at Hopkinsville, the officers and men were handsomely uniformed and on the sleeves, collars and tails of their coats were bits of brilliant yellow cloth. Forrest's troops all turned out to receive the Alabamians. As they marched past Company A, Will Arnett, who was a great wag, cried out at sight of their yellow trimmed coats, 'Yellowhammer—yellowhammer—flicker—flicker—flicker.' There was a roar of laughter at this apt wit and from that moment the Huntsville soldiers were spoken of as the Yellowhammer Company. A term that quickly spread throughout the Confederate Army and was applied to the State of Alabama, so today we have the Yellowhammer State."

ALABAMA YELLOW HAMMER

By Elizabeth Winter Watts

Alabama Yellow Hammer!
Miracle of Nature's art,
Winging into earth's big drama,
How you've played your feathered part!

Once you were a gallant pattern
Of a soldier, debonair;
Now you are a pompous major
With a military flair.

Once you drummed a daring war beat—
Softly! Spring is on the air—
Now your "drum-drum," loudly sweet,
Lures a Flicker Lady Fair.

Once a silver mist, at dawning,
Brushed you with Confederate grey;
Could it be that bullets, spawning,
Polka-dotted you with spray?

There's a scrap of red bandana
(Memory has a subtle way)
And perhaps her soft manana¹
Chose your scarlet scarf one day.

Chose your wings with yellow lining . . .
Could they be forever spread
In a golden benediction
Over Alababma's dead!

Alabama Yellow Hammer!
Was it destiny or fate
Marking you with beauty, glamour—
Fitting you to name a State?

Ere her lovely dream was ended,
Nature in a fine caprice,
With your warring colors, blended
A white patch—the pledge of peace.

(1) A spanish word meaning "tomorrow" or sometime in the future.
Pronounced ma-nya-na.

STATE SONG

ALABAMA

By Miss Julia S. Tutwiler

The music by Mrs. Edna Goeckel Gussen, of Birmingham, was adopted by the State Federation of Music Clubs, and through their efforts the following H. J. R. was adopted March 3, 1931, by the Legislature:

No. 128

H. J. R. 74

Goodwyn

To approve and adopt the original musical setting by Mrs. Edna Goeckel Gussen, of Birmingham, Alabama, of the words of the poem "Alabama," by Julia S. Tutwiler and make the same the State song of Alabama.

Approved by the Governor,
March 9, 1931.

1

Alabama, Alabama,
 We will aye be true to thee,
 From thy Southern shore where
 groweth,
 By the sea thine orange tree.
 To thy Northern vale where floweth,
 Deep and blue thy Tennessee,
 Alabama, Alabama,
 We will aye be true to thee!

2

Broad the Stream whose name thou
 bearest;
 Grand thy Bigbee rolls along;
 Fair thy Coosa—Tallapoosa
 Bold thy Warrior, dark and strong;
 Goodlier than the land that Moses
 Climbed lone Nebo's Mount to see,
 Alabama, Alabama,
 We will aye be true to thee!

3

From thy prairies broad and fertile,
 Where thy snow-white cotton shines,
 To the hills where coal and iron
 Hide in thine exhaustless mines,
 Strong-armed miners—sturdy farm-
 ers;
 Loyal hearts whate'er we be,
 Alabama, Alabama,
 We will aye be true to thee!

4

From thy quarries where the marble
 White as that of Paros gleams
 Waiting till thy sculptors' chisel,
 Wake to life thy poet's dreams;
 For not only wealth of nature,
 Wealth of mind hast thou to fee,
 Alabama, Alabama,
 We will aye be true to thee!

5

Where the perfumed south-wind
 whispers,
 Thy magnolia groves among,
 Softer than a mother's kisses,
 Sweeter than a mother's song;
 Where the golden jasmine trailing,
 Woos the treasure-laden bee,
 Alabama, Alabama,
 We will aye be true to thee!

6

Brave and pure thy men and women,
 Better this than corn and wine,
 Make us worthy, God in heaven,
 Of this goodly land of Thine;
 Hearts as open as our doorways,
 Liberal lands and spirits free,
 Alabama, Alabama,
 We will aye be true to thee!

7

Little, little, can I give thee,
 Alabama, mother mine;
 But that little—hand, brain, spirit,
 All I have and am are thine,
 Take, O take the gift and giver,
 Take and serve thyself with me,
 Alabama, Alabama,
 I will aye be true to thee!

RULES OF THE SENATE

Regular Session, 1931

RULE 1. The President having taken the Chair, and a quorum being present, the journal of the preceding day shall be read, to the end that any mistakes may be corrected that shall be made in the entry.

2. Every Senator, when he speaks, shall address the Chair, standing in his place, and when he has finished, shall sit down.

3. No Senator shall speak more than twice on any question under debate, and shall not consume more than one hour at each time, without leave of the Senate; but the originator of the pending question, or chairman of the committee reporting the measure, shall have the right to conclude the debate, the originator of the pending question to have precedence.

4. When two or more Senators rise at the same time, the President shall name the Senator who is to speak first.

5. When a Senator shall be called to order by the President, or a Senator, he shall sit down; and every question of order shall be decided by the President, without debate, subject to an appeal to the Senate, and the President may call for the sense of the Senate on any question of order.

6. If a Senator be called to order by a Senator for words spoken, the exceptional words shall immediately be taken down in writing by the Secretary, that the President may be better enabled to judge the matter.

7. No Senator shall absent himself from the service of the Senate, for as long as one day, without leave of the Senate first obtained. In case a less number than a quorum of the Senate shall convene, they are hereby authorized to send the Doorkeeper, or any other person by them authorized, for any or all absent Senators, as the majority of the Senators present shall agree, at the expense of such absent Senator unless such excuse for non-attendance shall be made, as a quorum of the Senate shall judge sufficient, in which event the expense of securing the attendance of such Senator shall be paid out of the contingent fund.

8. When a motion shall be made, it shall be reduced to writing, if desired by the President, or any Senator, delivered at the table, and read, before the same shall be debated.

9. When a question is under debate, no motion shall be received but:

- To adjourn,
- To adjourn to a day certain,
- To lay on the table,
- To postpone indefinitely,
- To postpone to a certain day,
- To commit, or
- To amend;

which several motions shall have precedence, in the order they stand arranged, and the motion for adjournment shall always be in order, and be decided without debate.

10. If the question in debate contains several points any Senator may vote for a division, but on a motion to strike out and insert, it shall not be in order to move for a division of the question; but the rejection of a motion to strike out and insert one proposition, shall not prevent a motion to strike out and insert a different proposition, nor prevent a subsequent motion simply to strike out, nor shall the rejection of a motion simply to strike out, prevent a subsequent motion to strike out and insert.

11. In filling blanks, the largest sum and longest time shall be put first.

12. When the reading of any paper is called for, and the same is objected to by any Senator, it shall be determined by a vote of the Senate, and without debate.

13. The unfinished business in which the Senate was engaged at the last preceding adjournment shall have the preference in the special orders of the day.

14. When the yeas and nays shall be called for by one-tenth of the Senators present, each Senator called upon shall, unless for special reasons he be excused by the Senate, declare openly and without debate, his assent or dissent to the question. In taking the yeas and nays, and upon the call of the Senate, the names of the Senators shall be called alphabetically.

15. When the yeas and nays shall be taken upon any question, in pursuance of the above rule, no Senator shall be permitted, under any circumstances whatever, to vote after the decision is announced from the Chair.

16. All motions to go into executive session shall be decided without debate.

17. All joint resolutions, except those which require immediate action, shall be referred to the Committee on Rules, before they shall be considered by the Senate.

18. No motion shall be deemed in order to admit any person whomsoever within the doors of the Senate chamber, to present any petition, memorial or address, or to have any such read.

19. When a question has been made and carried in the affirmative or negative, it shall be in order for any Senator of the majority to move for the re-consideration thereof; but no motion for the re-consideration of any vote shall be in order after a bill, resolution, message, report, amendment or motion, upon which the vote was taken, shall have gone out of the possession of the Senate, announcing its decision; nor shall any motion for re-consideration to be in order, unless made on the same day on which the vote was taken, or by 12 o'clock the next day.

20. All questions shall be put by the President of the Senate, and the Senators shall signify their assent or dissent by answering their yea or no.

21. The President of the Senate shall have the right to name a Senator to perform the duties of the Chair, but such a substitution shall not extend beyond adjournment.

22. After reading the Journal, business shall be called in the following order:

- 1st. Signing of bills by President,
- 2nd. Call of Districts,
- 3rd. House Messages,
- 4th. Reports from Standing Committees,

- 6th. Motions and Resolutions,
- 7th. Bills on Third Reading,
- 8th. Regular order of the day at 12 M.

When reports of Standing Committees are in order the Committee shall be entitled to the floor, last occupying it when the reports were in order.

These rules shall not interfere with special orders for particular days, or special orders for the Senate.

Special orders shall be called at the hour of 12 o'clock, unless specially set for some other hour; and a motion for a special order, if objected to, shall be first referred to and reported from the Committee on Rules.

Under call of the districts, only bills, petitions, memorials, or resolutions which are to be referred to a committee, shall be introduced, and every bill, petition, memorial or other paper shall upon the first reading thereof, be referred by the President to the Standing Committee having the subject matter thereof under consideration unless the Senate by a majority vote order otherwise. And before any petition or memorial addressed to the Senate shall be received and read at the table, a brief statement of the contents of the petition or the memorial shall be made verbally by the introducer.

23. Every bill shall receive three readings previous to its being passed; and the President shall give notice at each reading of a bill whether it be the first, second or third, which reading shall be on three different days. And no bill shall become a law until it shall have been referred to a standing committee, acted upon by such committee in session, and returned therefrom, which fact shall affirmatively appear upon the journal of the Senate, and upon its final passage read at length, and the vote taken by yeas and nays, and the names of the Senators voting for and against the same be entered on the journal.

24. All bills carrying appropriations whether previously referred to another committee, shall be referred to the Committee on Finance and Taxation and reported therefrom.

25. The Presiding Officer of the Senate shall in the presence of the Senate, sign all bills and joint resolutions passed by the Legislature, after the same shall have been publicly read at length immediately before signing, and the fact of reading and signing shall be entered upon the journal; but the reading at length may be dispensed with by a two-thirds vote of a quorum present, which fact shall also be entered on the journal. And all the resolutions proposing amendments to the Constitution or to which the approbation or signature of the President may be requisite or which

may grant money out of the contingent fund shall be treated in all respects in the introduction and form of proceedings thereon in the Senate in a similar manner with bills.

26. Bills on first reading shall be committed, and shall be read a second time when returned from the committee on any subsequent day.

27. The final question, upon the third reading of every bill, resolution, constitutional amendment, or motion originating in the Senate, and requiring three readings previous to its being passed, shall be, "whether it shall be engrossed and read a third time," and no amendment shall be received for discussion after the third reading of any bill, resolution, amendment or motion, unless by unanimous consent of the members present; but it shall at all times be in order, before the final passage of any such bill, resolution, constitutional amendment or motion, to move its commitment, and if such commitment take place and any amendment be reported by the committee, the said bill, resolution, constitutional amendment or motion shall be again read a second time, and then the aforesaid question shall be put.

28. The special orders of the day shall not be called by the Chair before 12 o'clock, unless otherwise directed by the Senate.

29. The titles of bills and such parts thereof only as shall be effected by proposed amendments, shall be inserted on the journals.

30. The proceedings of the Senate, when not in committee of the whole, shall be entered on the journal as concisely as possible, care being taken to detail a true and accurate account of its proceedings; but every vote of the Senate shall be entered on the journal, and a brief statement of the contents of each petition, memorial or paper presented to the Senate, shall be inserted on the journal.

31. The President of the Senate shall appoint the Chairman and members of the Standing Committees, and he shall appoint all other committees of the Senate, both special and joint.

32. When motions are made for reference of the same subject to a select committee, and to a standing committee, the question on reference to the standing committee shall be first put.

33. That all Executive messages be considered with open doors unless otherwise requested in said message, or otherwise ordered by a vote of the Senate.

34. The Committee on Rules may at any time report a special rule that debate on a pending measure shall cease at a certain hour, and a vote be taken on the measure. The consideration of such special rule shall not exceed thirty minutes, when a vote shall be taken thereon.

35. When any question may have been decided by the Senate, in which two-thirds of the Senators present are necessary to carry the affirmative, any Senator who votes on that side which prevailed in the question, may be at liberty to move for a reconsideration, and a motion for a reconsideration shall be decided by a majority of votes. And every bill, question or measure may be reconsidered at any time before 12 o'clock of the succeeding day, that no motion to table a motion to reconsider shall be in order, if made on the same day the proposition proposed to be reconsidered, was carried, and no motion to take from the table a motion to reconsider shall be in order, without giving one day's notice.

36. Messages shall be sent to the House of Representatives by the Secretary, who shall previously endorse the final determination of the Senate thereon.

37. Messages may be introduced in any stage of business, except while a question is being put, while the yeas and nays are being called, or while the ballots are being counted.

38. Press reporters shall be placed on the floor of the Senate by the Secretary, or under his direction.

39. The presiding officer of the Senate shall have the regulation and control of such parts of the capitol, and of its passages, as are or may be set apart for the use of the Senate and its officers.

42. The time of meeting of the Senate each day shall be 10 o'clock A. M. except on Monday, on which it shall convene at 12 o'clock noon; and in all cases, upon the adjournment of the Senate, the Secretary shall enter on the journal the hour of adjournment, and the name of the member on whose motion of adjournment was had.

Rule 1. The Speaker shall take the chair every day at the hour fixed on the preceding adjournment; shall immediately call the members to order, and on the appearance of a quorum, cause the journal of the preceding day to be read.

2. He shall preserve order and decorum; may speak to points of order in preference to other members, rising from his chair for that purpose. He shall decide questions of order, subject to an appeal to the House, at the request of any member; which appeal shall be decided without debate.

3. He shall rise to put a question, but may state it sitting. All questions shall be distinctly put in this form, viz: "Those in favor (as the

question may be) say aye," and after the affirmative voice is expressed. "Those opposed to the motion say No." If the Speaker doubts, or a division is called for before a decision is announced, they shall divide. Those in the affirmative of the question shall rise from their seats; and afterwards those in the negative.

4. He shall have a right to name any member to perform the duties of the chair, but such substitution shall not extend beyond an adjournment, or may designate any member as Speaker Pro Tem and the member so designated shall have and exercise all the powers and duties of Speaker for the time such member is acting as Speaker Pro Tem.

5. Fifteen members shall have power to send for absent members or to move a call of the House; but no call of the House shall be made except on the concurrence of a majority of the members present. A majority of the House shall be a quorum to transact business.

6. When any member is about to speak or deliver any matter to the House, he shall rise from his seat and respectfully address himself to the Speaker.

7. If any member, in speaking or otherwise, transgress the Rules, the Speaker shall, or any member may, call him to order, in which case the member so called to order shall immediately sit down, unless permitted to explain; and the House shall, if appealed to, decide on the case without debate. If the decision be in favor of the member so called to order, he shall be at liberty to proceed; if otherwise, and the case require it, he shall be liable to censure of the House.

8. When two or more members happen to rise at the same time, the Speaker shall name the person who is to speak first.

9. No member shall speak more than twice on the same question without leave of the House, unless he be the mover or chairman of the Committee proposing the matter pending, in which case he shall be permitted to speak in reply, but not until every member choosing to speak shall have spoken.

10. Upon the call of the House for taking the ayes and noes on any question, names of the members shall be called alphabetically, and each member shall answer from his seat.

11. When any question is taken by ayes and noes, and a member who has been absent returns before the question is decided, he shall be privileged to make inquiry of the subject before the House, and record his vote without discussion.

STATE CARE OF THE INSANE

There are two institutions for the State care of insane persons in Alabama, under the corporate name of "The Alabama Insane Hospitals," one is located at Tuscaloosa, and is known as "The Bryce Hospital," the other is located at Mount Vernon, and is known as "The Searcy Hospital." "The Bryce Hospital" is devoted to the care of the white insane, with a few negroes; "The Searcy Hospital" is devoted exclusively to the care of negroes.

An exceptional feature with the Alabama hospitals is, they are under the same management. They have the same board of seven Trustees—three from the neighborhood of "The Bryce Hospital," two from the neighborhood of "The Searcy Hospital"—and two from the State-at-large. This Board of Trustees were originally appointed by the Legislature in 1901, and are a self-perpetuating body, filling their own vacancies. The term of one trustee expires every year. Their elections are subject to the approval of the State Senate. There is also the same Superintendent, with an Assistant Superintendent at each Hospital. The finances and general business are conducted from one office by the Steward and the Treasurer at Tuscaloosa. The Superintendent spends about one-fourth of his time at Mount Vernon.

CHAPTER IX. ALABAMA NEWSPAPERS AND PERIODICALS

The list below includes the titles of all newspapers and periodicals of every character, printed or published in the State of Alabama, so far as information has been obtainable. The arrangement is alphabetical.

As far as possible the date of establishment, size, both in inches and columns, subscription price, day of week and periodicity of issue and political complexion, are given.

Doubtless some papers have escaped, although diligent inquiry has been made to discover all now being published. The Department will gladly welcome any additions or corrections. The information is largely from *Ayer's Newspaper Annual* for 1931.

CHAPTER XII. ALABAMA POPULATION BY COUNTIES AND BY MINOR CIVIL DIVISIONS

NUMBER AND DISTRIBUTION OF INHABITANTS.

Population of the State.—Alabama was organized as a territory in March, 1817, and was admitted to the Union as the twenty-second State in December, 1819. Its population on April 1, 1930, according to the Fifteenth Census, was 2,646,248, which represents an increase of 298,074, or 12.7 per cent, as compared with the population on January 1, 1920. The total land area of the State, as shown in Table 3, is 51,279 square miles. The average number of inhabitants per square mile in 1930 was 51.6, as compared with 45.8 in 1920.

Table 1 shows the population of Alabama from 1820, the year in which its area was first enumerated, to 1930, together with the increase in each decade.

Counties, cities, and minor civil divisions.—In the tables which follow (Tables 2 to 6), the population of Alabama is shown by counties, election

precincts, cities, and incorporated towns, with some comparative figures from previous censuses.

Cities of 10,000 or more.—There are 14 cities in the State which had a population of 10,000 or more in 1930. Table 2 shows for these cities the population at each census for which figures are available, together with the increase or decrease in each decade. Birmingham, the largest city, first became an important industrial center between 1880 and 1890. Its growth has been very rapid during each decade of its history. Bessemer and Fairfield are within the metropolitan area of Birmingham and have shared the growth of that city. Mobile, on Mobile Bay, retains its position as the second city in Alabama, closely followed by Montgomery, the capital. Decatur and Phenix City have entered this population class since 1920 by virtue of consolidations and annexations. Fairfield and Huntsville also first attained a population of 10,000 or more between 1920 and 1930.

ARTICLE XI

213. After the ratification of this Constitution, no new debt shall be created against, or incurred by this State, or its authority, except to repel invasion or suppress insurrection, and then only by a concurrence of two-thirds of the members of each House of the Legislature, and the vote shall be taken by yeas and nays and entered on the Journals; and any act creating or incurring any new debt against this State, except as herein provided for, shall be absolutely void; provided the Governor may be authorized to negotiate temporary loans, never to exceed three hun-

dred thousand dollars, to meet the deficiencies in the Treasury, and until the same is paid no new loan shall be negotiated; provided further, that this section shall not be so construed as to prevent the issuance of bonds for the purpose of refunding the existing bonded indebtedness of the State.

NOTICE

Holders of coupon bonds, who may wish to have them converted into registered bonds, or a transfer of the registered bonds, must present the same at the State Treasury at least ten days before the interest matures on each class, thereby enabling the Treasurer to issue and properly distribute checks for the semi-annual interest accruing on said bonds prior to such dates.

There is a fee of 50 cents per thousand for the transfer or exchange of all Alabama State Bonds.

STATEMENT SHOWING THE PURPOSES FOR WHICH THE PRESENT BONDED DEBT OF ALABAMA WAS ISSUED

Renewal "A" Bonds constitute a refunding of an issue of 1876 to cover outstanding bonds represented by the ordinary debt of the state.

Renewal "C" Bonds constitute a refunding of an issue of 1876 covering the scale down of endorsed bonds of the Alabama and Chattanooga Railroad Company from \$5,300,000.00 to \$1,000,000.00.

Refunding 4 ½ % Bonds constitute a refund of 4 % bonds originally issued for the purpose of redeeming State Certificates, and has been reduced by retirement of \$500,000.00 of bonds, leaving outstanding \$454,000.00.

An amendment to the constitution in 1921 authorized the state to issue \$25,000,000.00 bonds for Public Roads, Highway and Bridge construction. All of these bonds have been issued. Under the statutes of Alabama, this authorization of Highway Bonds, the receipts from motor vehicle licenses is being set aside for their retirement and the interest thereon, and to maintain public roads. In case of insufficiency of these revenues, the bonds are direct obligations against the general funds of the state treasury.

Under sections 844 to 846 of the Code of Alabama of 1923, the State Treasurer, with the approval of the Governor, is authorized to set aside a sinking fund for investment in bonds or other securities. Under the sections named, the Treasurer has purchased and retired prior to and at maturity Highway Bonds aggregating \$5,095,000.00, leaving outstanding \$19,905,000.00 of the original issue of the \$25,000,000.00 Highway Bonds.

Under an amendment to the constitution in 1922, the state was authorized to issue \$10,000,000.00 bonds for the construction of State Docks

at Mobile. The principal and interest on these bonds is payable out of receipts from the port now under construction and according to estimates will be in operation soon enough to provide for the payment of the bonds as they mature. In case of insufficiency of these revenues, the bonds are payable from the general state tax. All of the authorized issue has been sold.

Under an Act approved January 4, 1927, (Special session of 1926-27) the legislature submitted to the voters of Alabama an amendment to Article 20A of the constitution, authorizing an issue of \$25,000,000.00 Public Road, Highway and Bridge Bonds, that was ratified on April 12, 1927. Under this Act the state was authorized to levy a tax of two cents per gallon on gasoline or any substitutes therefor, for the purpose of paying the principal and interest on said bonds, and for maintenance of roads and expenses of the Highway Department. Under an enabling Act approved July 1, 1927, the State Bond Commission was authorized to sell \$25,000,000.00 Public Road, Highway and Bridge Bonds. Of the \$25,000,000.00 bonds issued, the Treasurer has retired \$951,000.00, leaving outstanding at this date \$24,049,000.00.

Under an Act, approved August 31, 1927, the Alabama Highway Director, the President of the State Board of Administration, and the Chairman of the State Tax Commission of Alabama, is made a corporate body with authority to construct and maintain fifteen (15) Toll Bridges in Alabama and to negotiate notes or bonds for the payment of said bridges, the tolls from such bridges to be used in payment of such debts incurred and to maintain the same. Under the authority granted herein, the Alabama State Bridge Corporation has sold \$5,000,000.00 in bonds in denomination of \$1,000.00 each, bearing 6% interest, payable semi-annually, on June 1st and December 1, at the American Exchange Irving Trust Company of New York City.
